

No-Fuss Fundraiser

Last year the Logos No-Fuss fundraiser raised over \$4000.00 allowing Logos to help fund things like the Fall Fun Fest, the Jon Bauer Easter Chapel, the Junior High retreat, and other such Christian activities for the 2009/2010 school year. Classroom Christian resources / materials, Bibles, and Christian books for the libraries were also purchased with these funds. This was possible with the efforts of a Fundraising Coordinator and committee. We are hoping that this fundraiser will once again raise the necessary funds to meet the demands of our 2010/2011 budget.

We have decided to give the Logos Community a goal to raise \$6000.00. To help meet this goal, we have developed the “**No-Fuss Fundraiser**”. This means no buying, selling, picking up or delivering of products, and best of all, no precious family time lost! “No-Fuss” is your chance to make a contribution directly to the Elk Island Logos Program where 100% of your contribution goes to the enrichment and growth of the program. It’s easy for you and our children will continue to thrive in a healthy and full Christian atmosphere.

All Contributions are confidential and no amount is too small! This is also a great way for extended family to get involved. We will be accepting contributions until **December 4th, 2009!**
